高分范文

The two photos show that people are enthusiastic about football stars such as the English football player Beckham. Some, like the young man in the photo, express their enthusiasm by writing his name on their faces, while others, like the one in the hair studio, spend as much as 300 yuan for a hair style modeling on that of Beckham.

In fact, that kind of star-worshipping is not uncommon nowadays among the Chinese people. For example, the so-called “Super Girls” become fashionable almost overnight, with fans chasing after them in a kind of blind worship. It seems as if people are badly in need of someone to whom to pay their respect, and to realize their own aspirations of an immediate success or stardom.

Famous football players won our favor and earned our respect by their hard work and excellent performance on the football field. What, then, deserves to be worshipped, their diligence and perseverance, or their hairstyle and ways of living? The answer seems self-evident: what we should learn is their spirit, not the superficial styles of living. Fashion is often short-lived, but the ever-lasting memory of a courageous, undaunted and skillful football player is what inspires us in our pursuit for better life and brighter future.

参考译文

这两张照片反映了人们对像英国足球明星贝克汉姆这样的球星非常狂热。有些人，像照片中的年轻人一样，通过在脸上写贝克汉姆的名字来表达他们的狂热；而其他则像理发店中的年轻人一样，花 300 元做个“小贝头”。

事实上，这种追星热在当今中国人中并不少见。例如，所谓的“超级女声”大赛几乎一夜成名，而歌迷们则以盲目的崇拜追逐她们。人们似乎迫切需要向某些人表达自己的敬意，同时满足自己马上成功或成为明星的渴望。

著名的足球明星们通过自己在球场上艰苦努力和卓越表现，赢得了我们的喜爱和尊敬。那么究竟是什么值得我们崇拜呢？是他们的勤奋和坚持不懈，还是他们的发型与生活方式？答案似乎不言而喻：我们应该学习的是他们的精神，而不是表面的生活方式。时尚总是昙花一现，而对于一个勇敢无畏、技艺精湛的足球明星的永恒记忆，才能激励激励我们追求更好的生活和光明的未来。

高分范文

As we can see from the picture, a football match is going on. On guarding the goal, the man on the left seems to be keeping a “huge goal” that is easy and inevitable for a goal, while the person on the right hesitates to kick the ball with an illusion about the “huge keep - er”. It is obvious that both of them exaggerate the difficulties in front of them.

This portrayal does reflect a thought-provoking social phenomenon which is not uncommon in China now. The young always give up because the problem is beyond their ability to cope with. Superficially, it seems to be somewhat reasonable, but when weighing in the mind, we find there is an apparent tendency underlying this phenomenon: the lack of confidence. Firstly, it is well-known that we exist in a dynamic world with various difficulties. We can do nothing but face them. Secondly, attitude is the key point to take the first step. Assume bravery and confidence to solve the problem, you will find the question is not as “huge” as you imagine. Take us for example, the entrance exam for graduate students even seems to be a horrible monster before us. Some people give up, some persist. So, with confidence and the right assessment of the difficulties, try and exert your strength, and then we will overcome all problems.

On the whole, I believe we young people should face the difficulties in right manner. And nothing is impossible, just do it.

参考译文

如图所示，一场足球赛正在进行。左边的人似乎在守一座轻而易举、必然会进球的“大球门”，而右边的人则有一种关于“巨大守门员”的幻觉，踢球很犹豫。显而易见，这两个人都夸大了他们面前的困难。

这幅图画确实反映了一个目前中国很普遍的、发人深省的社会现象。由于问题超出他们的解决能力，年轻人总是选择放弃。表面上看，图画似乎有一点道理。但仔细思考之后，我们发现再次现象背后，有一种明显的趋势：那就是缺乏自信。首先，众所周知，我们生活在一个困难众多的多元化世界中。我们除了面对，别无选择。其次，态度是迈出第一步的关键。只要有勇气和信心解决问题，你就会发现问题并没有你想得那么严重。以我们为例，研究生入学考试似乎是我们面对的一个可怕的怪物。有些人放弃了，有些人则坚持不懈。因此，只要拥有信心，能够正确估计困难，竭尽全力，我们就会解决任何问题。

总而言之，我认为我们年轻人应该以正确的方式来面对困难。没有什么是不可能的。只管去做吧。

高分范文

As is vividly depicted in the picture, two disabled men are running fast through teamwork although each of them has only one leg. Obviously, it is teamwork that makes it possible for them to go anywhere they want to.

Simple as it is, what the picture conveys to us is thought-provoking. With the development of economy and society, competition is increasingly fierce. It is impossible for anyone to finish a work all by himself. Hence, people in mounting numbers put great emphasis on teamwork. In fact, it has been universally acknowledged that the ability of teamwork is the most essential qualification that anyone who wants to achieve success should possess.

Accordingly, it is imperative for us to take some measures to enhance the sense of teamwork in our society. We should bear in mind that teamwork is of great significance to both our society and ourselves. Every one should have the ability of teamwork. Only in this way can we achieve success and only in this way can our society become more harmonious to live in.

参考译文

如图画中所示，尽管每人只有一条腿，但是两个残疾人通过团队合作正在快速奔跑。显而易见，正是合作才能使得他们走南闯北成为可能。

尽管这幅图画很简单，但它向我们表达了发人深省的含义。随着经济和社会的发展，竞争日益激烈。任何人都无法独立完成一份工作。因此，越来越多的人开始重视团队合作。事实上，人们公认合作能力是想要获得成功的人都应该具备的最重要的素质。

因此我们迫切需要采取措施来提高人们的合作意识。我们应该牢记合作对社会和自身都非常重要。每个人都应拥有合作能力。只有这样，我们才能取得成功，而且只有这样社会才能变得更加和谐。

高分范文

As is illustrated in the cartoon, each person sits in their own work room. In front of them is a computer. Everyone looks at the screen carefully, and communicate with their colleagues through the net instead of talking face to face. Their work places are placed like a net. And below the cartoon, there is a topic which says: the near and far among the Internet.

From the cartoon, we can conclude that the cartoonist wants to convey such a message: with the popularity of computers, people from all over the world become nearer by using the Internet to communicate with each other. Meanwhile, people also become far away from their friends. All of us accept the fact that the development of the internet brings lots of conveniences to our daily life, for instance, we can buy a book on the net instead of going to a bookstore. Besides, we can communicate with our friends on the net without going out of home. But we can't ignore the other side of these: the time we spend with friends or family becomes less. And we hardly see them once in a week. It will make us feel lonely if we continue to use the tool on the net to talk with friends instead of talking with them on the phone or going out with them.

To my best understanding, we should use the net to communicate with each other in a proper way. It is just a tool when we really

need it to serve us. If we want to keep our friendship more effectively, we should spend more time with them in our real life. Only in this way can we not only make full use of the communication tool on the net but also make our friendship stronger.

参考译文

如漫画所示，每个人坐在他们自己的工作间里。在他们面前有一台电脑。每个人都仔细看着屏幕，并通过网络而不是面对面与他们的同事沟通。他们工作的地方那个布置得像一张网一样。在漫画下面有个标题：网络的近与远。

从漫画中，我们可以看出画家想表达如下信息：随着电脑的普及，由于能使用网络彼此沟通，世界各地人们之间变得更近了。同时，人们也和他们的朋友变得疏远了。大家都接受了这样一个事实：网络的发展给我们的日常生活带来很多便利。例如，我们可以再在网上购买书籍而不用去书店。此外，我们无需走出房门就可以和朋友在网上交流。但是我们不能忽视另一方面：我们与朋友或家人待在一起的时间便少了。我们一周几乎都见不到他们一次。如果我们不打电话与朋友交谈或跟他们一起外出，而是继续在网上利用工具和他们聊天，我们将会感到孤独。

在我看来，我们应该以一种适当的方式使用网络彼此沟通。当我们确实需要网络为我们服务时，它也只是一种工具。如果我们想更有效地维持我们的友谊，我们应该在现实生活中花更多的时间和朋友们待在一起。只有这样我们才能不但在网上充分利用沟通工具，而且使我们的友谊更加牢固。

高分范文

A Hot Pot of Cultures, Both Delicious and Nutritious

In the picture above is a large hot pot. But different from the traditional Chinese hot pot, in which you see beef or lamb, luncheon meat, mushrooms, and a variety of vegetables, in this hot pot are various “cultural footstuffs” of both Chinese and foreign origins: Confucius, Aristotle, and Shakespeare; Taoism, Greek Mythology, etc.

What lies behind the picture, or “buried” in the hot pot, is clear: for the construction of the Chinese culture now and the future, materials of both Chinese and foreign features are indispensable.

We are living in an age when economic globalization is not only heard over the media but also seen and felt in the reality of our daily life. No nation or country can maintain its well-being by living on and by itself. The history of China in the last half of the 20th century has provided a whole pack of vivid and convincing experiences, both of successes and failures, in that consideration. Only from the various and varied sources of the other nations, together that of with our own, can we obtain sufficient nutriments for a Chinese culture worth her pride and her leadership in the present and the future world.

参考译文

上图所示是一个大火锅。传统的中国火锅里你会看到牛羊肉，午餐肉，蘑菇以及各种各样的蔬菜，但这个火锅与之不同，里面是各种各样的文化食料，有中国的，也有外国的：孔子，亚里士多德和莎士比亚；道教，希腊甚或等。

图画的寓意或者说火锅“潜藏”的信息很明显：对中国当前和未来的文化建设来说，中西文化的元素都是不可或缺的。

我们正生活在经济全球化的时代。我们不止在媒体上听见经济全球化，同时，我们也能在日常生活中看到、感受到它的存在。没有哪个国家或民族能够仅靠自身就保持其经济繁荣。在这方面，中国下半个 20 世纪的发展历史就是一整套生动和有说服力的成功经验和失败教训。只有把其他民族的各种多样化的资源，与本民族的资源相结合，我们才能为中国文化注入充足的营养，从而使中国文化成为当今和未来世界的骄傲和领航。

2011 年考研英语(一)议论文写作

高分范文

As is subtly portrayed in the cartoon, two tourists are taking sightseeing on a small boat while discarding their picnicing leftovers casually into a lake. Unfortunately, the lake is already littered and teamed with flowing rubbish like plastic containers, fish-bones, banana skin, watermelon rind, bottles, tins, food wrappings, and so on. And below the drawing, there is a topic which says: “after” the travel or “me” in the travel.

From the portrayal, we can conclude that the painter wants to convey such a message: a good many popular places are flooded with visitors, who spoil the beauty of nature by creating and leaving behind God-knows-how-much trash. On the one hand, tourism, as a multibillion-dollar business, is booming everywhere. Some people, laboring under the belief that tourism serves as an engine of economic growth, seem to ignore its negative effects on the environment. Nevertheless, it is my view that these are not concerns that we can shrug off lightly. On the other hand, tourism has exerted great pressure on the environment we are living in: water is polluted, the ecological system is disturbed, and natural resources have been excessively used.

Undoubtedly, tourism could not be banned in any country as it does help to shore up the economy in places which offer few sources

of income. The significant point is that the unchecked growth of the travel business may render the development of an economy unsustainable. It is high time that we enhanced people's awareness to rectify this by taking the environmental protection into consideration.

参考译文

如图所示, 两名游客正在一艘小船上观光, 同时把野餐的剩余垃圾随意丢入湖中。不幸的是, 湖中已经堆满了漂浮的塑料盒、鱼骨、香蕉皮、西瓜皮、瓶子、罐头、食品包装等各色垃圾。在图画下方, 有个小标题写明: “旅程之‘余’”。

从漫画中, 我们可以得出结论: 画家想要表达下述信息: 成群的游客涌入很多景点, 通过生产并丢弃大量的垃圾从而破坏了大自然的美观。一方面, 旅游业作为一项数十亿美元的产业, 正在世界各地迅猛发展。有些人认为旅游业是经济发展的引擎, 似乎忽视了其对环境的负面影响。然而, 我认为我们必须充分关注这一问题。另一方面, 旅游业已经对我们生存的环境造成了巨大的压力。水受到污染, 生态平衡遭到破坏, 自然资源被过度开发。

毫无疑问, 由于在其他收入很少的地区, 旅游业确实有助于发展经济, 因此任何国家都无法禁止旅游业。重要的是旅游业毫无节制的发展可能使得经济发展不可持续。通过考虑环境保护因素, 我们早就该提高人们的意识来扭转这个现象了。

高分范文

This cartoon token describes a bottle that fell to the ground, some milk spilled out. The bottle stands next to two people, a dejected saying "is all over! "While another said" Fortunately have left! ”。The contents expressed in the painting is both meaningful and thought-provoking.

This cartoon is designed to tell us when to live, work and learning are down, you, different people hold different attitudes. Optimistic people can always discover what's good side, and negative and pessimistic people always losing things sad for him to complain. In short, a person's attitudes can make or break him.

In my opinion, we should learn from the positive and optimistic man. No matter what difficulties she met in life, we should use a positive and optimistic attitude to face. Only in this way, we can be successful.

参考译文

这幅漫画象征性的描述了一个倒在地上的瓶子，一些牛奶洒了出来。在这个瓶子的旁边站着两个人，一个垂头丧气的说“全完了！”，而另一个则说“幸好还剩点儿！”。这幅画所表达的内容既意义深远又发人深省。

这幅漫画的目的是告诉我们在生活、工作和学习中遇到挫折时，不同的人持有不同的态度。积极乐观的人总是能够发掘事情好的一面，而消极悲观的人总是为他失去的东西伤心抱怨。总之，一个人的态度能够决定他的成败。

在我看来，我们应该向那个积极乐观的人学习。在生活中无论遇到什么样的困难，我们都应该用积极乐观的态度来面对。只有这样，我们才能取得成功。

高分范文

Emerging from the cartoon is an eye-catching scene that college graduates are at a turning point on the way to choose their future destination. When stepping out of the campus, a variety of choices, such as finding a job, going further education or abroad, and doing pioneering work, lie in front of these young people.

The implication echoed by this drawing remind us the great importance of a philosophic topic in our daily life: a successful life is directly related to the choice made by oneself. Nevertheless, we cherish a belief that we cannot tell whether the selection is good or not, and as long as we adhere to our decision success will be realized step by step. Making choice is essential to help determine the direction of our way, and persistence functions as an indispensable driving force to keep up our spirit and to assist us to fulfill our study and work. Only those who are hard-working and brave enough to encounter obstacles of all sorts are most likely to reach the summit of success.

Positive mental guidance should be popularized among the young people to help them make wise decision in their life. Besides, the youngster should be educated to realize the reality. Only in this way, can they make the right choice and shoulder the real success.

参考译文

漫画中所呈现出来的是一个引人注目的场景，大学生处在选择自己未来命运的岔路口。当走出校园，在这些年轻人的面前有着多种选择，比如找工作、考研、出国，或创业。

这幅画的含义也提醒我们在日常生活中一个哲学主题的重大意义：成功的生活与自己的选择直接相关。然而，我们抱有这样一种信念：我们不知道选择是好是坏，只要我们坚持我们的决定成功就会一步一步的实现。做出选择对于帮助确定我们的方向是至关重要的，并且持久性作为不可或缺的动力来维持我们的精神，来帮助我们完成学习和工作。只有那些遇到各种障碍时勤劳勇敢的人最有可能到达成功的顶峰。

积极的心灵指引应该在年轻人中推广，以帮助他们在生活中做出明智的决定。此外，年轻人也应该受到教育，从而认识到现实。只有这样，他们才能做出正确的选择和肩负起真正的成功。

2014 年考研英语(一)议论文写作

高分范文

There are two contrasting pictures. The left one demonstrates a scene thirty years ago, where a young mother gently held her daughter's hand. The right one shows what is currently happening. Roles have changed and it is the daughter who supports her mother.

The topic of this picture is about piety. This drawing is presented with the purpose of attracting our attention to the care of parents. As we all know, piety is an excellent traditional virtue handed down from generation to generation among Chinese people. However, nowadays an increasing amount of young people avoid the company with their parents. It exerts bad social effects. To build healthy social atmosphere, young adults should be awakened to their responsibility towards their parents. In fact, it requires little to make parents happy. Young adults only need to balance their work and life to spare more time with parents. No matter how busy they are, they can at least have dinner with parents or give them the phone call once or twice a week.

Only when children have harmonious relationship with their parents, can children and parents have a happy life.

参考译文

有两副体现对比的图片。左边那副图展现了 30 年前的一个场景，一个年轻的妈妈轻轻握着女儿的手。右边那副图表现的是现在的情形。角色改变了，换成女儿搀扶妈妈。

这幅图的主题关于孝顺。呈现这幅图旨在引起我们对照顾父母的关注。正如我们所知，孝顺是中国代代流传的优秀传统美德。但是，现在越来越多的年轻人回避陪伴父母。这造成了不好的社会影响。为了营造健康的社会风气，年轻人应该意识到对父母的责任。事实上，让父母高兴需要工作的并不多。年轻人只需平衡工作和生活，抽更多的时间给父母。不管多忙，至少每周可以陪父母吃两次饭或者给他们打一两次电话。

只有当孩子们与父母有和谐的关系，孩子和父母才能过上快乐的生活。

2015 年考研英语(一)议论文写作

高分范文

Dinner parties used to be full of happy laughter and cheerful voices. No longer. It is a painful scene echoed in the cartoon above: at the party, all the attendees are obsessed with playing their own mobile phones, without talking to each other face-to-face.

With the technological progress and the emergence of ever smarter and more powerful cell phones, such as iPhone or Samsung, the habit of excessive reliance on smartphones is slipping into every corner of our life. Some youngsters even feel ill at ease whenever their phones are not around. Reading news, playing games, updating microblogs or talking on QQ and WeChat, we seem not to be able to live without our dearest lover—the phone. For just an instant, the relatives and friends sitting right there around us suddenly become transparent figures: both kinship and friendship fade away. A reunion party supposes to be a “face-to-face” one has now become a silent “man-machine communication”.

“The most distant way in the world is not from birth to the end. It is when I sit near you that you are playing with your phone.”—this is now the voice of heart of many people. There is no ground to blame people’s love toward the mobile phone, an amazing machine after all, but we must keep it in mind that it may not only hurt other people’s feelings but also be harmful to our health if we are addicted to our phones too much.

参考译文

聚餐曾经充满了欢声笑语，如今已不再如此。上面的卡通图片反映的是一幅令人痛心的画面：在聚会上，参与者们都痴迷于玩手机，而不是跟彼此进行面对面的谈话。

随着技术进步以及苹果、三星等越来越强大的手机的兴起，过度依赖手机的习惯正悄悄的溜进我们生活的每个角落。一些年轻人甚至离开了手机就会感到不安。我们用手机看新闻，玩游戏，更新微博，或者聊QQ、聊微信，似乎离开了我们亲爱的手机，我们就无法活下去了。瞬间，坐在我们周围的亲人和朋友都成了透明人：亲情、友情都渐行渐远。本该是“面对面交流”的朋友团聚却变成了沉默的“人机交流”。

“世界上最遥远的距离不是生与死的距离，而是我就坐在你对面，你却在玩手机”——这句话道出了许多人的心声。喜爱手机无可厚非，毕竟这是一个神奇的机器。但是我们必须记住，如果玩手机过度上瘾，既容易伤害他人的感情，也不利于自己的健康。
